Introducing #HACFromHome

Harrow Arts Centre is committed to bringing quality entertainment and arts engagement to the community of Harrow. During these tough times for Harrow, and the entire country, we recognise now more than ever how important community engagement is. With this is mind, and with a first-hand understanding of how the current pandemic has devastated the arts sector, we have commissioned work from 18 creative companies and individual artists as part of a brand-new season of work. The #HACFromHome season includes a range of exciting artistic and participation projects either online via Zoom or using creative ways to maintain social distancing.

Pay What You Can

We appreciate that the current pandemic has affected our communities in different ways, which is why we are making all #HACFromHome events 'Pay What You Can'. It's simple, tickets are either FREE or start from just £2 and we simply ask you to pay what you can and support the work we do!
