

Harrow Arts Centre is committed to bringing life-changing entertainment and arts engagement to the community of Harrow. During these tough times for Harrow, and the entire country, we recognise now more than ever how important community engagement is. We are therefore delighted to present a summer programme of both online and in-person events with our communities' engagement and safety at its heart.

We appreciate that the current pandemic has affected our communities in different ways, which is why we are continuing to offer 'Pay What You Can' tickets for some events. It's simple, tickets start from just £2 and we simply ask you to pay what you can and support the work we do!
